Dear Alumni of Saint Joan of Arc School,

I am so proud to be the pastor of Saint Joan of Arc School! Over the past year and a half since I have come to Hershey, one of my greatest pleasures is going into the school each week and teaching the students. I also love my opportunity to celebrate our weekly Wednesday School Mass. I have come to really see what a wonderful school we have. You should be very proud of being alumni of this school. Of course, I am doubly proud because of our recently becoming a BLUE RIBBON SCHOOL! It is an honor but also a reaffirmation of what we already know: Saint Joan of Arc School has a history of academic excellence and is a great place to send your children. As you remember your past at Saint Joan's, I ask you to also remember the future. Keep us in our prayers, help us financially with your contribution to our Annual Fund and, most importantly, STAY IN TOUCH! I look forward to seeing you next year at our Alumni Reunion! In Christ, Father Al
