## EXTENDED ABSENCE REQUEST FORM

Extended vacations are highly discouraged during the school year. A student is subject to losing so much academically by missing a week or two of school. If it is imperative for some reason that you must take your child/ren out of school for an extended period of time, please complete this form below.

Please realize that it is very difficult for teachers to predict exactly what will be missed during their absence. Students may request anticipated assignments, but it will be their responsibility to make up any missed work, within a reasonable time, upon their return.
