# **40 Days For Life**

## **September 27th - November 5th**

Saint Joan of Arc School will unite with the Diocese of Harrisburg and many other dioceses across the USA for the largest and longest coordinated pro-life campaign in history.

Starting on September 27th, we will pray the Respect for Life Prayer at school each day. The students will also be praying a decade of the rosary each day with their class and dedicate it to a special cause. As part of the almsgiving, each classroom will have a baby bottle from the Baby Bottle Blessings Program. The expected donation is a penny for each year of life (a 10 year old would donate 10 cents, etc). Of course, you can donate more. All donations will be sent to the Morning Star Pregnancy Center. The campaign will conclude on Sunday, November 5th.

Any families that are expecting a baby or welcomed a new baby into their family this past year are welcome to attend our closing prayer service on Friday, November 5th at 2:00. Please call the office if you are able to attend so we can celebrate the gift of life. We encourage all of our families to join in the 40 Days for Life campaign with prayer, fasting, and almsgiving.

# 🌟 Welcome to the Snapology STEM Club 🌟

For Kindergarten-2nd grade

Tuesdays 3:00 pm - 4:15 pm Starting October 24th

Join us for an 8-week adventure that combines the joy of LEGO® play with educational STEM activities. Our program is designed to keep kids actively learning while having a blast!

Sign up through the school office

- 🧠 **Stimulate Curiosity:** Foster your child's natural inquisitiveness.
- 🚀 **Playful Learning:** Fun activities that sneakily teach important concepts.
- 🏫 **Ideal Afterschool Activity:** Perfect for unwinding after a day at school.

In this session, kids will dive into the world of creativity and discovery. They'll build amazing machines, create imaginative stories based on their favorite themes, and even recreate historical wonders like medieval castles!

Don't miss out on this exciting educational journey!
