# **40 Days For Life**

## **September 27th - November 5th**

Saint Joan of Arc School will unite with the Diocese of Harrisburg and many other dioceses across the USA for the largest and longest coordinated pro-life campaign in history.

Starting on September 27th, we will pray the Respect for Life Prayer at school each day. The students will also be praying a decade of the rosary each day with their class and dedicate it to a special cause. As part of the almsgiving, each classroom will have a baby bottle from the Baby Bottle Blessings Program. The expected donation is a penny for each year of life (a 10 year old would donate 10 cents, etc). Of course, you can donate more. All donations will be sent to the Morning Star Pregnancy Center. The campaign will conclude on Sunday, November 5th.

Any families that are expecting a baby or welcomed a new baby into their family this past year are welcome to attend our closing prayer service on Friday, November 5th at 2:00. Please call the office if you are able to attend so we can celebrate the gift of life. We encourage all of our families to join in the 40 Days for Life campaign with prayer, fasting, and almsgiving.
