

LIBRARY VIOLATIONS ON REDIKER (Gr. 6-8) OR CLASS DOJO (Gr. 4 & 5)*

What brings about a library violation?

- 1. Coming to class unprepared without your library folder and/or your library book (other than book review book for the present month) and waiting until class starts to realize your items are missing.**
- 2. Excessive talking during book check-out time. You are expected to read or work on a brainteaser during this time. Talking is not an option.**
- 3. Spilling your water bottle on the floor and NOT cleaning it up. Or not putting your water bottle on the floor near your desk when KINDLES are being used.**
- 4. Writing on/or abusing your library book or any other school property.**
- 5. Coming to class late without an excuse slip.**
- 6. Disrupting the class lesson time in any way other than an emergency.**
- 7. Opening an APP (or APPS) on the Kindle EREADERS other than your NOVEL STUDY BOOK.**
- 8. Not pushing in your chair for the next class. (Yes, really).**
- 9. Using Chromebook during book checkout time without permission. Chromebooks should always be put on the back table.**

Three Library Violations equals a Yellow Card signing.

****There are other behavioral and/or academic infractions that go directly to a Yellow card signing such as plagiarized work, abusive behavior in class.***
